Irvine and Shaw

Address Meetings

During last week Mr. William Irvine, representative for East Calgary in the Federal House, and Mr. J. T. Shaw, representative for West Calgary, presented their views on the legislation of the past session to a number of the electors.

A meeting held at Cheadle last Wednesday evening was addressed by Mr. Irvine, and a meeting at Strathmore by Messrs. Irvine, Shaw. Both meetings were well attended, testifying to the continued interest of the electors in current politics. The U. P. A's of Cheadle and Strathmore are to be congratulated on holding these meetings, and keeping the public interest in political matters alive.

The Cheadle Meeting

The meeting at Cheadle was held in the Ladies' Hall. Mr. Frank Rennie, president of Cheadle local, U. P. A., occupied the chair. Mr. J. C. Buckley, representative for Gleneath constituency in the provincial house, had been advertised to be present at the meeting, but owing to an address, but he did not turn up, much to the disappointment of those present, as some of them had some questions which they wished to put relative to the last session of the provincial legislature.

Mr. Irvine, in his opening remarks, said that the electors showed a very commendable interest in the work of the Dominion Government when they come so many miles as some in order to attend a meeting of this nature when no election was in the offing. It would be to the benefit of the legislators themselves if such interest was generally displayed, and the country as a whole would benefit.

Barter Influence of Parliament

Mr. Irvine spoke of the effect of the influence of parliament on the new members. It was interesting in some cases to watch the gradual blossoming of the parliamentarianism as he came under the influence of the capital. Men who came from the wild and woolly west would within a few weeks be seen sporting a walking stick, and then they would gradually develop straw hats, fancy waistcoats, etc. That, of course, was not a bad thing. It showed the influence of environment.

Parliament is Backward

He considered parliament as some what of a backward institution. A natural conservatism was generated by the accession to responsibility, but it was carried to excess, and it was largely followed on the steps of parliaments of the past, while the people had looked for something more radical. They were slow to respond to new ideas, and were much behind the thought of the people.

Farmers Not Class Legislators

The farmers had been accused of members of the old class legislators, but one instance out of many would show that they were not. A debate had taken place on the use of the subject of the prohibition of the import of margarine with its it would have been to the advantage of Canadian farmers to have had competition of margarine with their dairy products stopped, they, as believers in equal opportunity and fair trading, voted against prohibition.

Crows Nest Pass Agreement

Speaking on the debate of the Crows Nest Pass agreement, Mr. Irvine said that persons he would have been in favor of putting up a fight for the retention of the whole agreement, but the Progressive Leader agreed on a compromise whereby the agreement, as far as it affected grain, and several other commodities was restored. It was not right that the C. P. R. should be allowed to escape the obligations they had contracted. It would be just as fair for the people to refuse to carry the exemptions and privileges which the (Continued on another page)

Langdon Exhibition

SUCCESSFUL DAY.

Big Crowd Present. Paved by the weather, the annual exhibition of the Langdon and Bow River Agricultural Society, held at Langdon on Friday, was very large and successful.

The entries were large in every department. Stock was over the standard, and of former years, and the horses were heavy.

The grain, vegetable, dairy produce and fancy work exhibits were housed in the I. O. O. F. hall. Many fine samples of this year's grain and vegetables were on review, and the fancy work and dairy produce sent up by the ladies and children was well up to standard.

Carsland Wins Ball Game

In the morning a baseball game took place between Langdon and Carsland, the latter winning by a score of 8.5 after a hotly contested struggle.

Good Sports Program

The afternoon was devoted to horse and foot races. There were good entries in all the horse races from all over the district, and the foot races in most cases were close and exciting. The relay race was exciting, and was won by Dave Welsh.

The last event of the day was the boxing contest, and it is said to have been one of the best ever witnessed in Alberta. Only one horse failed to show signs of liveliness, and its rider, Leslie Lyons, got a real bucking in the course. The boys held their seats good, only a couple being pilled. Boys from Cheadle district participated largely in the contests, and were successful in capturing a number of the prizes during the afternoon.

An enjoyable dance took place in the evening in the Oddfellows' Hall to the music of Hirtle's Orchestra.

Much credit is due to Mr. Tre. president, Messrs. Alcock and Colwell, secretaries, and the other officials, for the success of the day's proceedings.

Death of Mrs. Torrance

The death took place in Calgary, on Thursday, following an operation, of Mrs. H. J. Torrance, after an illness of about two weeks duration.

Mrs. Torrance had, however, been in failing health for some time.

The late Mrs. Torrance who was a native of Glasgow, Scotland, met her husband, who had been a resident of Strathmore district during the past fourteen years, while he was over seas. They came back to Calgary three years ago. Mrs. Torrance, whose maiden name was Elizabeth C. Elder, was a member of the Nursing Order of St. John, and for four years performed creditable war hospital work. Mr. Torrance went overseas with the 1st draft of the 48th Battalion, and served in France with the Mobile Calgary up to the time of his departure.

The body was conveyed from Calgary to Strathmore, where funeral service was performed by Rev. A. D. Cusie, interment taking place in Strathmore Cemetery.

Car of Thanks

I wish to take this opportunity of expressing my heartfelt thanks to my friends for their sympathy and help in my bereavement. H. S. Torrance.

COMING EVENTS

Tonight (Wednesday) at Memorial Hall "Get Rich Quick Wall Street." "The Shell," which could not be shown last Wednesday evening, owing to being held in Calgary, will be shown Thursday evening, August 17. Don't miss it. Next Wednesday, Betty Compton, in "The Green Temptation." 15-16.

There will be no evening service on August 20th in St. Michaels church as the rector is going to Brooks.

A united War Memorial Service will be held in the Memorial Hall on Sunday, August 27, at 7:30 p.m., all the churches participating.

Tennis News

Last Friday afternoon the Strathmore tennis club paid Rockyford a visit and engaged the tennis club of that town in a series of games. Rockyford are fortunate in that they have perhaps the finest tennis courts in this part of the country, and added to this is the fact that they have also some of the best tennis players in the country, these two facts will ensure very keen games.

The rain, vegetable, dairy produce and fancy work exhibits were housed in the I. O. O. F. hall. Many fine samples of this year's grain and vegetables were on review, and the fancy work and dairy produce sent up by the ladies and children was well up to standard.

However the Strathmore club repeat having a first class time while there and are looking forward to a return visit from Rockyford this week. Following are the scores:

Strathmore: W. Hastings and H. Vickers 6, P. H. Prince and C. L. Laft 6, A. R. Rowe and B. Ploner 1, W. Gardner and C. S. Laft 2, W. Hastings and Mrs. Spingarn 1, H. Vickers and Miss Bolton 0, Miss James and Miss Bolton 2.

Rockyford: Mr. Dawson and Mr. Hill 2, Mr. Sanger and Mr. Sanger 2, Mr. Hinesworth and Mr. Rudi 2, Mr. Miller and Mr. Scott 4, Dr. Tiffin and Miss Rudi 2, Mrs. Thurston and Mrs. Whelan 2, Mrs. Hinesworth and Mrs. Hill 0.

In place of the Chicken Supper advertised for Thursday evening, the Anglican Guild will hold a Pottery Sale in the P. J. Whyte Store on Saturday, August 19, commencing at 3 p.m. Light refreshments.

A considerable reduction in the number of foreclosures on southern Alberta farms has resulted as a consequence of recent provincial legislation it is stated.

Harvest Has Started

Favorable Yields Looked For

Contrary to the experience of many years in the past, crop prospects have improved in the weeks preceding harvest, and most farmers are looking to the threshing yield to give them more than they at first expected.

The rains which fell on several days during the last fortnight have done much to help grain filling, and the rains, and were soon towards the end of May show promise of a very heavy yield on dry land.

The only hail damage reported so far has been between Cheadle and Carsland, and this is light, adjustments being from five to twenty per cent, while the area affected is not extensive.

The uncertainty regarding the wheat board is affecting the market and this may be the main buying factor in the minds of the grain raiser.

Most of the dry throughout the district is now out, and cutting of wheat commenced at the beginning of this week. Irrigated grain is somewhat later than dry land grain, but practically all wheat will ripen within the next ten days.

The yield on the whole is expected to be much better than last year, and if grain is a fair price there will be a much larger profit, as the expense of raising the crop was not as large as in the case of 1921.

Winter rye is already up.

HERVEY NEWS

Mr. James White and family are moving to the Okanagan, B. C., where they expect to remain.

Mr. Fred McKay, eldest son of Jack McKay, is home suffering from an injured leg.

Harvesting will be in full swing the latter part of the week, there will be about a half crop on account of the dry weather, but what there is will be well filled and of a No. 1 grade. The recent rains will make late oats very good.

Mr. Hes. Stinchay was a caller at the Layton's home one day at week.

Nels Woldum has been spreading the name of Strathmore to his friends down in the U. S. A., as the following extract from the Decatur, Iowa, "Chronicle" shows. Nels is a booster of the right type.

On Visit From Canada

Nels Woldum arrived Thursday from Strathmore, Alta., Canada, on a visit to relatives and old friends here. His brothers Ole and Martin met him in Minneapolis and the trip to Decatur was made by auto in one of the Woldum's crack Buicks. Mr. Woldum has been located in Strathmore since 1908, and when he located there it was a small place with a few shacks. Now it is a fine, substantial city, with fine buildings and homes, with a population of 1000. Mr. Woldum owns three sections of land near there which he rents out, and practically all of his time taken up looking after his land interests.

He reports the country has been in need of rain, but a good rain fell before he left, and the crops are looking good. Wheat is the principal thing raised on his land and this is

Minister of Agriculture

Visits Strathmore

Hon. W. B. Motherwell, Federal Minister of Agriculture, was a visitor to Strathmore on Thursday, and was shown over the C. P. R. Demonstration Farm by Mr. G. H. Hutton.

Mr. Motherwell was much interested in the extensive work at the farm, especially the trench alleys. The Minister for the past two weeks has been on a visit of inspection to Western Canada. He addressed a meeting at Calgary on Wednesday evening.

Various authorities in the Lethbridge district estimate that the production of all grains in Southern Alberta will total thirty four million bushels this fall.

Municipal District of Keoma No. 249

NOTICE OF IMPOUNDMENT

NOTICE IS HEREBY GIVEN UNDER SECTION 28 of the Domestic Animals Act That I two years old steer black little white on stomach, no visible brand, was impounded in the pound kept by the undersigned on the S. E. 14 sec. 15 tp. 26 rps. 26 w.m. 1 Dated at Keoma this 4th day of August 1922.

A. DIXON.

bringing \$120 a bushel in Canada now. Mr. Woldum expects to remain in Decatur until after Winnipeg's county big Homecoming.

To Holders of Five Year 5 1/2 per cent Canada's Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5 1/2 per cent interest, payable half yearly, of either of the following classes:-

- (a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.
- (b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unsold coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
Minister of Finance.

Dated at Ottawa, 8th August, 1922.

Local Tottings

In this issue will be noted the an-
nouncement of a special sale by the
Strathmore Trading Co. Many big
bargains are offered. Mr. Wilson,
Calgary, is conducting the sale for Mr.
Butler.

Over twenty-five business men
of Strathmore were present at a meeting
held in the Oddfellows' Hall on Mon-
day evening for the purpose of discus-
sing business and other improvements
in town. Many good ideas were ad-
vanced, and a committee was appoint-
ed to get after the formation of a
shaving and cutting rink this winter.

A delegation was also appointed to
interview the Town Council with re-
ference on a lease of the Riverside
lots. Light refreshments were served.
Another meeting of the same nature
will be held on August 28, and it is
hoped to hold regular meetings of
this nature throughout the winter.

The Booths Hood Milling Co. have
appointed a resident manager at their
elevator and warehouse here in the
person of Mr. Finch formerly of Sask-
atoon. Mr. E. Russell had been look-
ing after the elevator during the sum-
mer months.

Mrs. J. Knight, Namaka Colony, met
with a painful accident on Friday
when she cut one of the fingers of her
hand with an axe in the barn.

She received treatment at the hospi-
tal. While the wound is still painful,
it is healing up.

Dr. Giffin received a heavy up-
set one day last week from W. Rindson,
farm. A farm hand named Noonan
was taken ill with pneumonia, and
was dangerously ill for several
hours. He was afterwards taken to
Strathmore hospital where after treat-
ment he is slightly again. The trouble
is supposed to have arisen from eat-
ing canned fish.

The ball game that was to have
been played between Canadian and
Vancouver over the weekend has been
postponed owing to the rain and wet
grounds.

Pulses have now arrived for the new
annual phone lines, and it is expected
that they will be wired in about two
weeks time.

Dr. and Mrs. A. W. Givins were up
on their holiday last week.

P. R. Keer came over from Cheff-
Saturday. Mrs. Keer has been ill at
the home of her parents, Mr. and
Mrs. Keer, for the past three weeks,
but is improving. — News, Nanton.

A meeting of the Strathmore U. F.
W. A. was held at the home of Mrs.
Shepard on August 19th. After the re-
gular business an enjoyable musical
programme was carried out under
the direction of Mrs. Stephens. Next
meeting, August 23, at the home of
Mrs. Wm. Rindson. All women of the
community cordially invited. Bring a
question for the question box.

NAMAKA NEWS

The fire cream social put on by the
church members last Wednesday
evening to bring the new pastor, Mr.
Rowe, in touch with his congregation,
was a huge success.

We have heard of people suffering
from cold feet, but we are of the op-
inion some must have suffered from
cold stomachs judging by the amount
of ice cream consumed.

A short programme contributed by
the Misses Lillifield, Miss Wat-
son, Mr. Harbottle and Mrs. Geo.
Peterson. A short speech by the Rev.
Mr. Rowe was greatly appreciated by
all present.

After the programme both the ad-
ults and children indulged in games
from which they derived much amuse-
ment. We are of the opinion that
something similar to this put on once
in awhile would do much to "renew"
that most community feeling as
often lacking thing.

The members of the U. F. W. A.
will meet at the home of Mrs. Jack
McLean on Saturday next, the 19th.

A play entitled "I Can't Afford It"
is to be put on by the U. F. W. A.
on Friday next, August 19th. It is
a production extremely appropriate for
this western country and contains a
story which should appeal to all.
Oh boys come and see your home
talent perform.

Miss Marlin Brown spent the week
end at the home of her parents.

Mr. H. B. Brown, Mr. H. E. Thomp-
son, Mr. E. C. Watts and Mr. Thomp-
son are on a fishing trip to the foot-
hills last week. They may be good
fishermen but are awful poor fish
story tellers.

Mr. Harold Hallberg is paying a visit
to the home of Mr. and Mrs. J. F.
Laurie, we wonder what the situa-
tion is?

Miss Violet Vlatka motored down
from Strathmore on Monday for the
day.

Mr. and Mrs. W. Watson motored to
Calgary for the weekend.

THE GOVERNMENT'S CONVER- SION SCHEME

The attention of the holders of the five and a half per cent. war loan bonds maturing December 1, 1922, is directed to the offer of the Minister of Finance to renew the loan on favourable terms. The last Canadian loan was placed in New York at a satisfactory price. The Minister is making his present financial operation entirely a domestic one by offering to exchange the maturing bonds for new bonds bearing the same rate of interest running for either five years or ten years as the bondholder may prefer. A further inducement to the investor is that he receives a bonus of one month's interest. The terms offered are decidedly favourable to the investor and it is probable that a large part of the maturing loan will be renewed. Arrangements for the exchange of the bonds can be made at any branch of the chartered banks. Holders who do not wish to reinvest will be paid in cash on the 1st of December.

IRRICANA NEWS

Mrs. Diving spent a few days in Irricana last week the guest of her sister, Mrs. Kervick.

School opens on August 28th.

Mr. and Mrs. Colechugh motored to Sylvan Lake for a few days holiday.

Isabelle was played in Irricana on Friday evening between Irricana and Beiseker the score being 4-1 in favor of Beiseker.

Miss Sadie Hinds was the only successful pupil from Irricana high school who tried the departmental examinations.

Mr. and Mrs. James McCollough are receiving congratulations on the birth of a daughter (Elizabeth Jean).

Ben David Hollinger, of Gleichen, was a visitor at Mr. G. Long's this week.

A missionary service was held in Irricana Brethren Church last Sunday evening the service consisted of singing, recitations, essays, etc. The service was handled entirely by the young people.

Mrs. Clyde Leister entertained a large number of ladies on Friday afternoon last, it being Mrs. Leister's birthday anniversary also the birthday anniversary of Mrs. J. W. Long of Mossaville, Ill. and sister of Mrs. Bertram. The afternoon was spent in social chat and part of the time in viewing Mrs. Leister's beautiful garden and numerous poultry after which a very elaborate lunch was served by the hostess. The lunch consisted of coffee, sandwiches and numerous cakes, finishing up with velvet ice cream. Those present were Mrs. J. W. Long, Mrs. and Mr. Bertram, Mrs. Chaplin, Mrs. Carpenter, Mrs. Wise, Mrs. Wilson, Miss Wilson, Mrs. Heston, Mrs. Hesterville, Mrs. Min- ton, Mrs. G. Long, Miss Long, Mrs. Smith, Miss Thelma Smith, Miss Merion Johnson, Mrs. Isenhardt, Mrs. Stuart, Mrs. McCune, Mr. and Mrs. Shepard, Mrs. Thompson, Mrs. Garfield, Mrs. Stevens, Mrs. Grazan, Mrs. Hutton, Mrs. Scratch, Mrs. Chris- and Mrs. T. P. After wishing Mrs. Leister and Mrs. Long many happy returns the party broke up at 6 p.m.

Guaranteed Service

We guarantee every repair job entrusted to us to be satisfactory—and you are the judge. Until you are satisfied in every way, we do not consider a job finished. Of course, once in a while this generous policy of ours is abused, but taking it by and large it pays us and pays you. Our whole service policy is to make every Ford owner a Ford booster—to keep every Ford car in our territory in the best possible shape to carry out the Ford ideal of satisfactory motor transportation at lowest cost.

If your Ford requires attention give us a chance to prove what our guaranteed Service can do for you.

NO WHEAT BOARD

—THIS YEAR—

There will be no Wheat Board for this year's crop, to one having been found willing to undertake the responsibility of the chairmanship.

It is a very regrettable thing that while the 1922 crop of Canada is being cut, at the time of writing no arrangements have been arrived at for the handling of it.

The prospects of the coming year for a government Wheat Board to handle the crop has deterred the private individuals and firms who in the past have made a livelihood and in some cases it is suggested, much more than a livelihood, from contracting and sales when they could not sell it themselves.

The national product which is the basis of Canada's prosperity is not assured of a market yet. There is no doubt that it will be consumed widely, for the world's demand for grain is never more than met with a surplus of the production, and the surplus is absorbed the following year.

Now that the season has come as far as the Wheat Board should be established to take care of the year's crop. The difficulty appears to get anyone to take the responsibility of handling the job of chairman of the board. Enabling legislation has been passed by the Dominion Government, and the Board has been organized with the necessary power by the Government of Alberta and Saskatchewan, but still there is no board.

The Dominion Government was responsible to the establishment of a Wheat Board, but they left it to the vote of parliament, and the pressure of the Progressive League, a compromise which left the responsibility to the provinces. With more business acumen shown, this compromise could have been avoided, and if the preliminary had been concluded earlier, there would not have been so much difficulty in its operation.

The test is not a favorable one for public opinion. It seems to show that the people of the Dominion are not ripe for it. It does not move with the same efficiency and swiftness as private operation. The ultimate solution of the grain selling situation will be found in a co-operative farmers' corporation, but there has to be a time in the future to accomplish this.

One objection to the Wheat Board from Eastern Canada was that the legislation sought for would set the grain growers in a privileged position, but even if it did, they would not be in a privileged position as Municipal District of Bow Valley, No. 219.

 1 gray mare branded as cut on left thigh.
 1 sorrel yearling mare no visible brand.

They were impounded in the pound kept by the undersigned on the 8th, 9th, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st day of August 1922.

WM. FANKLES,
 Poundkeeper, Nampa

The majority of our manufacturers are at present, with a house of from 15 to 20 per cent. on their product, for that is what the tariff amounts to. The Dominion Government takes the responsibility of moving sections into Canada, and it is suggested, much more than a livelihood, from contracting and sales when they could not sell it themselves.

The national product which is the basis of Canada's prosperity is not assured of a market yet. There is no doubt that it will be consumed widely, for the world's demand for grain is never more than met with a surplus of the production, and the surplus is absorbed the following year.

Now that the season has come as far as the Wheat Board should be established to take care of the year's crop. The difficulty appears to get anyone to take the responsibility of handling the job of chairman of the board. Enabling legislation has been passed by the Dominion Government, and the Board has been organized with the necessary power by the Government of Alberta and Saskatchewan, but still there is no board.

The Dominion Government was responsible to the establishment of a Wheat Board, but they left it to the vote of parliament, and the pressure of the Progressive League, a compromise which left the responsibility to the provinces. With more business acumen shown, this compromise could have been avoided, and if the preliminary had been concluded earlier, there would not have been so much difficulty in its operation.

The test is not a favorable one for public opinion. It seems to show that the people of the Dominion are not ripe for it. It does not move with the same efficiency and swiftness as private operation. The ultimate solution of the grain selling situation will be found in a co-operative farmers' corporation, but there has to be a time in the future to accomplish this.

One objection to the Wheat Board from Eastern Canada was that the legislation sought for would set the grain growers in a privileged position, but even if it did, they would not be in a privileged position as Municipal District of Bow Valley, No. 219.

NOTICE OF IMPOUNDMENT
 NOTICE is hereby given under Section 25 of the Domestic Animals Act (Part II) that 2 bay mares branded as cut on left hip and same brand with 112 below on right thigh.

1 bay mare cut on foot brand on right shoulder.

WORLD HAPPENINGS BRIEFLY TOLD

The appointment of a permanent Canadian Trade Commissioner, together with an assistant, to Russia, has been authorized.

The Vancouver Harbor Commission has been authorized to strengthen the Ballantine Pier sheds to carry grain conveyors.

The Government has authorized a grant of \$6,950 to the province of Alberta "for the purpose of aiding and advancing the farming industry by instruction in agriculture."

The Government has curtailed the weekly close salmon fishing at Rotorua, N.Z., from midnight on Friday to 6 p.m. Sunday for the balance of the 1922 fishing season.

Because of the great loss of life and property by fire during the past decade, all citizens have been asked to observe October 9 as Fire Prevention Day.

Forty-two ships have been chartered to transport British coal to the U.S. to relieve the emergency by the continued coal miners and railroad shopmen's strike, it was announced by the United States Shipping Board.

Dionis Pallas, former Minister of Marine in the Turkish Cabinet Government, chief of staff of the Afghan army, has been assassinated. Two Armenians are charged with the crime.

The reputation of the province of Quebec is not to be hurt by the recent celebrations in the effect that imported cheese of inferior and dangerous quality had been sold on the British markets, states Hon. J. A. Carson, Minister of Agriculture.

The late Sir John Eaton's palatial private car, "Eatonian" has been sold in Montreal to the Canadian Pacific Railway Company. The car was furnished throughout with the most modern and luxurious manner and originally cost over \$100,000.

New railroad unions being organized by the carriers will be recognized by the U.S. Railroad Labor Board whenever they come before that body with a dispute, provided they can prove to the board that their membership contains a majority of the men then at work on the roads affected.

Because of the political and religious unrest in Ireland, which has brought practically the whole fish industry there to a standstill, three manufacturers of Armagh, Ireland—Joseph Marshall, David McClelland and R. R. Louden—have come over to Canada with a view to an investigation that may duplicate Ireland's fish industry in the Dominion.

Circle Tours Through the Canadian Pacific Rockies Delightful Trip Afforded for Tourists Over C.P.R.

By the most magnificent mountain and inland water trip in the world, passing through beautiful Banff, Invermere, Lake Louise, Field and Glacier House to Arrowhead—steamers through Arrow and Kootenay Lakes, winding in and out past majestic mountain peaks—touching at West Robson and Nelson coast.

This delightful trip can be made in the opposite direction if desired and at remarkably low cost.

Any Canadian Pacific ticket agent will gladly give full information and arrange details.

On the Marriage Day

Romance usually ceases, and life begins—and new romance begins to grow when "Putnam's" is applied. It takes out corns, rashes, bristles, removes traces of a single corn left after Putnam's Putnam Corn Extract, and leaves the skin as soft as silk. Re-use a substitute.

War Taught Britain to Chew

Before the war chewing gum was practically unknown in England. Now sales amount to over a million dollars a year.

Relieves Asthma at Once. If you could read the thousands of unprinted letters received by the makers of this great remedy, you would realize the remarkable powers of Dr. J. C. Kellogg's Asthma Remedy. After long and careful study, we have been led by this great family remedy to the conclusion that it is a valuable preparation when the genuine relief can be purchased everywhere.

Turks Strangle Criminals

In Turkey strangling and sewing a criminal up in a bag and throwing into the sea are common modes of punishment.

Fresh Supplies in Demand—Wherever Dr. Williams' Electric Oil has been introduced, increased supplies have been ordered, showing that wherever it goes this excellent oil improves things on the people. No matter in what climate it may be used, its potency is never impaired. It is put in its most portable shape in bottles and can be carried without fear of leakage.

Roman Relics Found in Paris

Read at Gentilly Divert to Preserve Concrete Conduit

In two parts of Paris interesting archaeological finds have been made during the last few days. At Gentilly, where a new road was being made, a Roman conduit, perfectly preserved, and solidly built of concrete, was found. It had been used to carry water to a Roman town, the ruins of which are now at Clancy Abbey and its strength is so great that it has been decided that it would be costly to destroy it. Hence the new road is to be diverted alongside it.

The second discovery is a Mosaic tomb, which was laid bare by road men near the site of the Clancy Abbey at St. Marcel. The tomb contained a perfectly preserved skeleton.

Minard's Liniment Relieves Neuralgia

There is no such thing as a thunderbolt, but the name is frequently given to a meteorite, or more often a particularly dangerous form of lightning.

TO RETAIN GOOD HEALTH FOLLOW THIS ADVICE

Most important of all is proper attention to the bowels. Avoid constipation—the healthkiller of today. Harsh, irritating medicine is ruinous—beware of it. Best results, follow a remedy like Dr. Hamilton's Pills which relieve constipation promptly and gently. Constipation becomes a thing of the past. No distress or inconvenience attends the use of Dr. Hamilton's Pills, which are famous for their mildness and efficiency. For headache, biliousness, indigestion and liver complaint, Dr. Hamilton's Pills, 25¢ all dealers or The Catarhogue Co., Montreal.

Quite Correct

Mrs. Scripps told me that when her doctor got married the bridegroom gave her a "orse and a trap."

THE REASON WHY ANAEMIA PREVAILS

The Strenuous Conditions of Life

Today's exigencies tell me that when her doctor got married the bridegroom gave her a "orse and a trap."

This is proved by the statement of Miss Elora Eckert, Lake Placid, N.S., who says: "I should be glad if every other ailing girl will profit by my experience with Dr. Williams' Pink Pills. I was very much run down; my face was pale and there were dark circles around my eyes. My appetite was bad, and I had no ambition to do anything but go about. I had long been helped by Dr. Williams' Pink Pills and I tried them again. It proved a wise decision for me, for less than two months I felt in every way better. I had a splendid appetite, the tired feeling disappeared and I can now work with enjoyment. Naturally I think there is no better medicine for young girls than Dr. Williams' Pink Pills."

You can procure Dr. Williams' Pink Pills through any dealer in medicine, or they will be sent to you by mail at \$1.00 a box or six boxes for \$5.00 by writing direct to The Dr. Williams' Medicine Co., Brockton, Mass., U.S.A.

Prait from the Pen

One "Tat" fellow wrote there makes a nice income from his pen."

Julius Caesar was the first ruler to style himself an emperor.

Corns cause much suffering, but Holloway's Corn Remover offers a speedy, sure, and satisfactory relief.

Walrus are gentle except when teased.

GINGHAM IS REIGNING SUPREMACY ONCE MORE

Not content with the gingham track for morning wear and in the country. They are no cool and becoming to the majority that they are still very popular, although they have held their place of high esteem for quite some time. This one is of lavender and white check.

The List of the Missing Search for Missing Veterans During Peace Time

There is no stronger proof of the effects of the Great War upon those who were active participants than the never-ending list of ex-servicemen recorded as missing in peace time. The most general cause are those of men whose minds become blank temporarily in most instances. Others become tormented with wanderlust and wander from their homes, and are undoubtedly victims of foul attacks.

The information department of the Dominion Commission, G.W.V.A., has no more difficult problem to handle than that of the missing. The results are small compared with other branches of the service, but the total of reunions effected and information obtained for relatives can best be measured in terms of human happiness.

The general method of procedure is first to circulate all commands and branches of the G.W.V.A.; notification of other agencies with whom the individual might come in contact; publication of particulars in "The Veteran," the official organ of the association; next, veteran organizations in the United States are notified, including The American Legion in the United States; the G.W.V.A. in Newfoundland; The British Legion in Great Britain (as well as the branches of the G.W.V.A.); the Returned Soldiers' and Sailors' Imperial League of Australia; Associations in New Zealand, South Africa, India and other British dependencies; France, Belgium and Italy. The extent of the search depends upon the circumstances surrounding the veteran who has disappeared.

For Western Harvest

It is expected that the demand of the harvest held in Western Canada will exceed that of the past few years. Last year the number of men on the coast was 10,000. It is predicted by railway officials that probably around 50,000 extra men will be required to harvest the crops, for which there is every promise.

Bright stars, when low down near the frozen horizon, sometimes puzzle even the most experienced sailors as to whether or not they are ships' lights. Reference to this fact has occasionally been made in connection with collisions between vessels in the open ocean.

The heaping of pigeons in England was introduced by the Romans, who used them for carrying, as well as for the fowling.

No 10 Downing Street has been the home of the prime ministers of England for almost two hundred years.

The ordinary varieties of ferns are in great use in China and Japan as articles of food.

Interesting House in London

Building Only Three Feet Wide Has Two Rooms

How would you like to live in a little dream house only 3 feet wide, with occupied by a picturesque dwarf with curly hair and a long white beard? You would never guess where it is. It is not tucked away in a corner of the Welsh mountains, nor does it peep out from the paria of a remote country village.

It is in London—and that is probably why very few Londoners know of it.

No. 16, Hyde Park Place, Rayward Road—it sounds like a magnificent West End mansion, but it is just a dwarf's house.

No one seems to know when it was built, or why. One gets the impression that once upon a time its neighbors on either side enjoyed the proud distinction of being semi-detached, and that little No. 16 came and wedged itself in between them and closed up the 3 ft. 7 in. passage with its sturdy front door.

But No. 16 seems older than its neighbors, no perhaps that explanation is wrong.

This house of the dwarf has two long narrow rooms, one on the ground floor and one above. The front door has neither bell nor knocker, but there is a letterbox through which no letters ever go, for the dwarf's house is unoccupied and has had no tenant for years.

It is said to be unsuitable for human occupation. It has no water and no gas, but people did live in it in the last age.

Even now it is well cared for. The window over the front door is nicely curtained, and there is a box of tulips on the sill. The window commands a magnificent view of Hyde Park.

Although it is so narrow that a fat man would have to get in sideways, many people, both fat and thin, have endeavored to persuade the owner to let them live in it. But they have all been unsuccessful. The little house will never be a human habitation—it is destined to remain tenanted—peopled only by the shadows of departed days.

And the dwarf. Those who know, say the dwarf story is a myth—that there never was a dwarf.

But it does no harm to think there was, and it makes the small house in London much more interesting.

HOARSENESS RUBBED AWAY QUICKLY BY NERVINE

Changeable weather causes congestion of the throat. The throat must be drawn from the inflamed part, and this is speedily done by applying Nervine. The beauty of Nervine is that it penetrates quickly. It not only relieves the dry, red throat, but it draws out the inflammation, soothes the inflamed parts, and makes the throat well quickly. For relieving coughs, hoarseness, Nervine is the remedy. Throat sore, large 25¢ bottles sold everywhere.

Of the Making of Books

One is staggered to learn that Jonathan leads all nations in the production of books, with Germany second, and that Germany's production is four times as great as that of the United States. Something should be done about it—Cleveland Plain Dealer.

Loss From Forest Fires

Timber Destroyed This Year Could Have Provided 100,000 Homes

As a national disaster the loss to the Parliament Buildings by fire was trifling compared with the season's devastation of Canadian forests. Robert Black, manager of the Ontario Forestry Association, stated:

"On a conservative estimate, he said, the Dominion's forests have lost this year so far have lost the people of more timber than would be sufficient to build 100,000 houses. The losses are heavy."

Mr. Black declared that the lumber industry of every Canadian was being steadily ruined by forest fires. The annual plague of burning forests cost the heaviest income tax that the ordinary citizen has to face. It cannot be over-stated that the loss of every forest fire must be paid for. The people of Canada own eighty-five per cent of the forest lands in the Dominion and for every dollar that a private owner loses through fire, the workman, and the merchant and government treasury sacrifices at least four, he stated.

Another Relief Attacked

Denist Says White Bread Harms

Another of the beliefs generally known as "popular fallacies" has been attacked by a member of the Federated Confectioners' Association, who has declared that the eating of sweets is not bad for children's teeth.

The public is exhorted to a well-known London dentist by the London Sunday Pictorial.

He said: "If young sweets do not injure the teeth of the children any more than other foods containing carbohydrates."

It is a simple fact that soft white bread has an infinitely more deleterious effect upon the teeth than sweets.

The action involved in teeth decay is chemico-parasitic. The chemical action is due to carbohydrates.

The moral illustrated is a simple one. By all means let the children eat pure sweets, but see to it that the use of the toothbrush is not neglected."

The U.S. navy now has in its service 2,600 bombing planes.

DIARRHOEA IS DANGEROUS

To Teething Babies DURING HOT WEATHER

Hot weather is a dangerous time for the babies when cutting their teeth, and all mothers should watch very closely for any sign of diarrhoea, dysentery, cholera or other life-endangering bowel trouble.

There is no remedy so safe and effective for diarrhoea as Dr. Fowler's Extract of Wild Strawberry, and all mothers who have tried it speak of it with the greatest of confidence.

Dr. J. M. Armstrong, Alta., writes under date of Aug. 13th, 1921, as follows: "A week ago my baby boy, just one year and four months old, started cutting two more teeth, and was so sick he could not eat or sleep, and had the diarrhoea (teething) which he had had since he was born. After giving him Dr. Fowler's Extract of Wild Strawberry, he was healthy for three days. He was as well as any boy could be. I wouldn't be without it for a grand reward for untold good."

The Fowler's for sale at all dealers' price. See a bottle; put up by The T. Milburn Co., Limited, Toronto, Ont.

Baseball

Rockyford in Semi-Finale For Provincial Championship

The Rockyford Baseball Team has earned the distinction of representing the southern half of the province for the provincial championship by defeating the Calgary Civil Service team by 145 at Rockyford on Sunday.

The Calgary boys were out-hit and out-generalized says the "Albertan" and they generally agreed at the close of the game that they were beaten by a team far superior to them in every branch of the game. The farmer boys hit Hill and Miller, the Calgary batters, mercifully, scoring two home runs off Miller.

Brown, who started for Rockyford, was called in and replaced by Murray, who had no difficulty in holding in the Civil Service down.

The championship play-off will be held next week. Rockyford will meet the winner of the Carstairs-Edmonton series, the final game of which will be played at Edmonton on Wednesday.

Wheat cutting has commenced at several points in the province, but will not become general for the next two weeks. Cutting of rye is general.

As Welcome as The Harvest

With the glory of the harvest spread over the West, ripened for the sickle, nothing is more natural than a desire to invest some of the proceeds in equipment for farm, home and self; and no medium offers so tempting and profitable a field for the customer as EATON'S Catalogue.

The new Fall issue is now ready. If a copy does not reach your house shortly, notify us.

To Get The Biggest Saving

and the best service, order early and in sufficient quantity to secure the lowest freight rates. It is good policy to have our Grocery Catalogue handy—the values are good, and will help to make up an order that will save on transportation charges.

Harvest issue now ready—sent Free on Request
